STAFF REPORTS

- **Zoning Administrator** – there has been a permit submitted for a greenhouse.

- **Code Enforcement Officer**

- Nuisance Property Update –the property owner at 331 N 4th has made more improvements. There have been complaints regarding the commercial property located at 110 W Decker including vehicles parked on the street. There are no vehicles on the street currently.

- **Maintenance Operator**

- Water Customer, 119 Hillview Dr Misunderstanding – the meter setter was replaced when the landowner had a new water line ran to her house. Her water bill went down, and she thanked the city for the new meter since her water bill was much lower. She didn't receive a new meter just a meter setter. There was a water leak in the line that was replaced.

- Sewer Cleanout Update – everything went well
- Sewer Cleanout Ruts – 307 N 1st St & 150 1st Terr has ruts from the cleanout. 307 N 1st doesn't want anyone on his property so it's going to be hard to repair the ruts.
- Ford F150 – Oil pressure sensor unit replaced for \$275.98
- KDHE PFAS Sampling – new testing required by EPA could cost \$250 – \$350 per test quarterly.

The resident at 225 W Choctaw St has complained several times about a wet spot out on the old golf course property belonging to Ryan and Jaclyn Nelson. Our water loss isn't high, it doesn't have a chlorine residual, the ser line has been scoped. The thought is that it is coming down the bore line.

102 Seneca, the barn tin is down but the t-posts are still there.

Mayor Haas thanked Dwight for the banners and flags being up for Veterans Day.

- **City Clerk**
