Friday, 8 a.m. to
noon and 12:30 to
2:30 p.m.

CONTACT:

cityclerk@newstra-
wn.org

Ph: 620-364-8283

MAYORS CORNER:

Another calendar year has begun with new faces on the New Strawn Council. Sworn into office at the January meeting were Deborah Stukey, Ty Skillman and Dan Haller, all who were elected for a 4-year term. Stephanie Baker and Butch Gilkison continue their serve on the Council. Committee appointments have been made, and Committee Chairmen are working on goals and desires for the upkeep and growth of services of New Strawn. Members of the Council will be working on the funding available for the city during January. The community has many opportunities for small town living. Members of the community are welcome to attend council meetings held on the second Thursday of each month. ~ Jeanne Haas, Mayor

NEWSTRAWN.ORG is the City Hall website where you can go online to pay your bill, read minutes, read city ordinances or check out upcoming community events. You can also find forms such as new account applications, community building reservation and other licensing forms.

If paying your bill online, there is a 2.5 percent fee for credit cards and \$1.50 if paying with your checking account. To avoid these fees charges by KanPay (not the City of New Strawn), you can pay in person or use the night drop box.

REGISTER YOUR PETS: Animal licenses for 2026 can be purchased at New Strawn City Hall in January. Bring proof of rabies vaccination; **you do NOT need to wait until it is time to have your pets vaccinated to register them. Simply bring in proof of the most recent rabies vaccination that shows your pet is up-to-date.** Some customers may be under the impression they have to wait until after the vaccination date to come in; however, that just results in an increased fee for the registration. Licenses are valid for the calendar year. If you forgot to do it in January, don't panic. You can still get your pet registered in February or March, but the cost of the license doubles for each month you are late: \$4 and \$10 in February, \$8 and \$20 in March.

REMINDER: Dogs MUST be kept on a leash or lead if not in a fenced yard.

SNOW & ICE REMOVAL: Please DO NOT park vehicles in the city streets during inclement weather, especially along the emergency routes which are: Neosho Street to North 4th Street (ALL of 4th Street is an emergency route), Cherokee Street to Main Street and ALL of Main Street, including Arrowhead Drive. Vehicles parked in the street make it difficult to effectively treat the streets for icy conditions as well as impede snow removal. Snow removal will be limited if accumulation is less than two (2) inches. Designated emergency routes and school bus routes will be addressed with either snow removal or salt and/or sand treatment, possibly both. Other residential streets will be addressed after the emergency routes and school bus routes are finished.

FEMALE FOWL PERMIT: It's time to renew your female fowl permit. Anyone with female fowl within city limits is required to have a permit. Please contact City Hall for the form or download it from the city website. Male fowl are not allowed.

MEETING NOTIFICATIONS:

The public is welcome to attend all city council and city planning meetings. City council meetings are conducted in the open on the second Thursday of each month. While the public generally does not participate in meeting business, a portion of each regular monthly meeting is designated for public comments. If you would like to be on our email notification list, leave your name and email address with the city clerk or assistance city clerk. **If you have been on a past notification list, you must renew your request annually.** **NOTE:** You must include your name with request to be added to our notification list.
